## Refrigeration Business Unit Newsletter

Issue 09

March 2017

### 60 YEARS OF TESTO

Inside this issue  
Testo Birthday Specials!  
Congratulations Kelly  
DCS: Field Days 2017

### Spotlight On: Testo

**It's Testo's 60th birthday, so let's celebrate!**

We measure it.

We've got some great special offers on the Testo Refrigeration products featured in this newsletter to celebrate 60 years of Testo.

The **Testo 550** refrigeration gauge instantly displays superheat and sub-cooling for up to 60 refrigerants. It also measures high / low side pressures and temperatures. With its free Bluetooth linked App, the Testo 550 opens up new possibilities for efficient analysis and documentation. Now with 60 refrigerant profiles and added functionality for leak tests, the Testo 550 is versatile enough to become the tool for every job.

#### Key Features:

- 60 Built in refrigerants
- -1 to 60 Bar Pressure
- Automatic Calculation of SuperHeat & SubCool Temperatures
- On-site Reporting/Monitoring Via Testo Refrigeration App
- Part No. 0563.1550

**\$559<sup>+gst\*</sup>** Normally \$699<sup>+gst</sup>

The **Testo 557** digital refrigeration gauge has a 4-way valve block, large backlit display and sight glass. Two NTC thermistor clamp probes provide superior accuracy of simultaneous, real-time superheat and sub-cooling readings. An external vacuum probe provides fast and more reliable evacuation of the system.

#### Key Features:

- 60 Built in refrigerants
- External vacuum probe for faster and more reliable evacuation of the system
- 4-way valve block with 1/4 in. and 3/8 in. ports
- On-site Reporting/Monitoring Via Testo Refrigeration App
- Part No. 0563.1557

**\$765<sup>+gst\*</sup>** Normally \$954<sup>+gst</sup>

The **Testo 570-2** digital manifold set & vacuum gauge can replace a whole range of measuring tools that you would normally need to carry out your work on refrigeration systems and heating pumps. The manifold gauge can measure, analyze and log pressure, temperature, electricity and vacuum measurements and save all data.

#### Key Features:

- 40 refrigerant profiles stored in the instrument
- Automatic heat pump mode – no need to replace refrigerant hoses
- Real time data measurement and graphical editing with EasyKool software
- Part No. 0563.5702

**\$1248<sup>+gst\*</sup>** Normally \$1560<sup>+gst</sup>

*\*(All offers are valid until 31st May, 2017)*

### Smart Probe Refrigeration Set

The Testo Smart Probe Refrigeration set is a combination of four instruments to measure high-side and low-side pressures and temperatures of A/C and refrigeration systems.

**SPECIAL \$359.00<sup>+gst</sup>**

Offer valid until 31st May 2017 (Normally \$452<sup>+gst</sup>)

# HAVE A FIELD DAY WITH US AT

**NORTHLAND  
FIELD  
DAYS**  
2nd, 3rd & 4th MARCH 2017

**SOUTH ISLAND  
AGRICULTURAL FIELD DAYS**  
KIRWEE • 29 - 31 MARCH 2017

**Fieldays®**  
2017  
14-17 JUNE

Central Districts Powered by NZ Farmer  
**FieldDays®**  
*"The best day off the farm all year"*

**Congratulations!**

Congratulations to Eurotec Refrigeration Sales Engineer and Dairy Cooling Solutions front man, Kelly Larritt, for achieving an amazing milestone of 50 years in the refrigeration industry!

Kelly has been with Eurotec for 9 years and his hard working yet laid back attitude is a testament to his success in the industry. Just over a year ago we celebrated another milestone figure with Kelly's 65th birthday, we hope to have him on the team for a while yet!

## Upcoming Events: Field Days 2017

It's been a busy start to March for the Dairy Cooling Solutions team. With the Northland and Central District field days under their belts and with almost 70 on stand PIB enquiries, DCS are ready for the South Island Agricultural Field Days next week!

The Packo Ice Bank live demo unit attracted a lot of attention from visitors as it bubbled away on the stand, and with clear viewing windows in the side visitors could see the ice building ice throughout the day.

[Click on the image below to watch the Packo Ice Bank explained.](#)

Make sure to keep an eye out for the DCS flag! We hope to see you there.

### South Island Agricultural Field Days:

29th - 31st March  
Kirwee. Site No.220

### National Field Days:

14th - 17th June  
Mystery Creek  
Site No. I29
