testo 860i thermal imager
for smartphones
CAT 1 Thermography Course
Event: Fine Food

SPOTLIGHT ON: New testo 860i thermal imager for smartphones

testo 860i

testo 860i – wireless thermal imager for smartphones with easy operation and display via the testo Smart App, is the perfect choice for quick spot checks in the HVAC trade, maintenance, buildings and many other applications.

Features

- Simple and fast determination of Delta T in the thermal image using application-specific DeltaHeat and DeltaCool measurement functions
- Razor-sharp thermal images thanks to high infrared resolution (256 x 192 pixels)
- Everything is simple with the testo Smart App: easy operation and effortless documentation with on-site emailing
- Flexible handling through wireless use or one-handed operation directly attached to a smartphone
- High suitability for everyday use and robustness with IP54 and fall protection up to 1.5 m

Ideal for building inspectors/contractors, glazier/window fitters, carpenters & maintenance technicians

Category 1 Thermography Certification Course

Why the course is important?

Master all camera features to tackle thermography challenges.

Who is the course for?

Electricians, Insurance reporters, Building Inspectors, Industrial Maintenance Inspectors, Inspectors of solar energy/photovoltaic systems.

What to expect?

Our trainer will conduct the course via Microsoft teams, with Eurotec qualified thermographers managing the class and assisting with practical lessons.

Do I need to have a specific brand of camera?

No matter what brand of camera you have, this course will teach you how to use your thermal imaging camera to it's full potential and give you the tools to become a Category 1 Qualified Thermographer. If you don't have a camera yet, we can provide cameras for the duration of the course.

Date: 25th -29th August, 9am - 5pm

Cost: \$2,980+GST per person

Location: Eurotec Auckland Office, 750C Great South Road, Penrose
Eurotec Christchurch: 30A Carlyle Street, Sydenham

(Morning Tea, Lunch & Afternoon Tea provided)
